

RX® COUPLING FLANGE MJO

Design

- special coupling flange for coiled hoses type Vacufixx and Abraflex (with the exception of hose types Abraflex-HD and Abraflex- SHD)
- bolts, nuts and a self-adhesive drill template always supplied
- optimal connection between hose and connection
- simple to assemble
- suitable for re-use

Material

- coupling flange polyamide, grey
- bolts and nuts steel

Data Table

ERIKS art.no.	For int. diameter hose	Diameter bolt holes	Pitch circle	Size flange	Maximum ext. diameter	Totale length	Weight
	mm	mm	mm	mm	mm	mm	gr
11194086	65	5,5	58	76 x 76	98	80	130
11194087	80	6,5	73	91 x 91	114	80	160
11194088	100	6,5	93	111 x 111	138	80	190
11194089	120	6,5	113	131 x 131	165	90	300
