

#### RX® COUPLING SLEEVE PHD

##### Design

- special coupling sleeve for coiled hoses type Vacufixx and Abraflex (with the exception of hose types Abraflex-HD and Abraflex-SHD)
- optimal connection between hose and connection
- simple to assemble
- suitable for re-use

##### Material

- polyurethane, black
- on request also available in a conductive design ( $R < 10^4 \Omega$  .)

**Data Table**

ERIKS art.no.	For internal diameter hose	Recommended diameter connection	Recommended length connection	Total length coupling sleeve	Weight
	mm	mm	mm	mm	gr
