

RX® SPIRALEX-HD

Design

- special wire clamp for coiled hoses type Abraflex-HD and Abraflex-SHD
- wire clamp so full sealing around the whole circumference of the hose is guaranteed
- this guarantees the certain and tight connection of the hose to the connecting piece
- simple to assemble
- according to DIN 3017

Material

- wire clip chrome steel
- screw galvanised steel

Data Table

ERIKS art.no.	Front internal hose diameter
	mm
11192535	50
11192567	55
11192569	60
11192570	65
11192571	70
11192572	75
11192573	80
11192574	90
11192575	100
11192576	110
